# transforming healthcare through clinical laboratory science

Precision Diagnostics is a clinical laboratory unlike any other.  
Our NextGen Precision Testing platform employs ultra-sensitive  
LC-MS/MS technology in a fully automated, robotic facility.

We are committed to transforming healthcare by delivering accurate,  
comprehensive, actionable clinical data needed to enhance population  
health and improve outcomes throughout the continuum of care.

4215 Sorrento Valley Blvd.

## INNOVATION

We relentlessly pursue research, technology, and quality – providing unparalleled, cutting-edge clinical laboratory science and delivery.

## INTEGRITY

We accept and incorporate only ethical business solutions representing the highest quality standards, rooted in honesty, fairness, and transparency.

## INSIGHTS

We integrate and deliver intelligent analytics that power objective, actionable clinical data – fulfilling our commitment to an evolved healthcare delivery system.

## OUTCOMES

With a focus on the end goal, we continually explore new advances in delivering informed, coordinated, efficient patient care.
